

# I AM NCR ALOHA RESTAURANT GUARD

## Real-time monitoring and alerts are the best defense

NCR Aloha Restaurant Guard helps restaurant owners and operators put a stop to theft, which depletes profits and harms the customer experience. This powerful back-office and mobile solution provides managers with all the tools and insights they need to identify and mitigate losses proactively, while strengthening internal controls.

### Real-time loss prevention

Monitor transactions in real time to identify any fraudulent activity occurring at the terminal. Move swiftly to stamp out theft, minimizing its impact.

### Increased profitability

Protect your restaurant's bottom line, freeing up capital for business growth and operational improvements.

### Improved workforce management

Determine your highest and lowest performing servers and create a healthy workplace by motivating your top performers. Extend the web based rankings report with the Restaurant Guard Mobile employee performance tool.

# Why NCR?

NCR Corporation (NYSE: NCR) is the global leader in consumer transaction technologies, turning everyday interactions with businesses into exceptional experiences. With its software, hardware, and portfolio of services, NCR enables more than 300 million transactions daily across the retail, financial, travel, hospitality, telecom and technology

industries. NCR solutions run the everyday transactions that make your life easier.

NCR is headquartered in Duluth, Georgia with over 26,000 employees and does business in 180 countries. NCR is a trademark of NCR Corporation in the United States and other countries.

## Tools to deter theft

Act as the architect and visible champion of your loss prevention program. The system's real-time reports and actionable analytics also serve as a powerful deterrent against theft in your restaurant.

## Stronger operational controls

Leverage NCR Aloha Restaurant Guard data to improve operational controls, preventing theft from reoccurring. Controls are adapted periodically to reflect the latest theft patterns, protecting your restaurant against the latest scams.

## A superior guest experience

By protecting inventory, payment processes and margins, Aloha Restaurant Guard allows staff to focus on delivering an optimal customer experience.

## Employee performance

Allows you to determine what employee information is included and how it is displayed with the ability to group and filter the information by Day Part, Job Code, and Store Location.

## Key features

- Back-office hosted solution with a mobile component providing frequent updates on the latest theft patterns and employee performance.
- Recognizes common scams, such as transfers, voids after check close, comps after check close and comps after check prints.
- Provides real-time transaction monitoring and historical trends for sophisticated fraud detection
- Set alerts to notify you instantly through your mobile device. Alerts can include refunds, post close comps, post close voids, transfers, and more.
- Fully configure employee ranking reports delivered instantly through Restaurant Guard Mobile.

| Employee           | Sales   | Check Avg | Checks (#) | Comps (\$) |
