Why NCR?

NCR Corporation (NYSE: NCR) is the global leader in consumer transaction technologies, turning everyday interactions with businesses into exceptional experiences. With its software, hardware, and portfolio of services, NCR enables more than 550 million transactions daily across retail, financial, travel, hospitality, telecom and technology, and small business. NCR solutions run the everyday transactions that make your life easier.

NCR is headquartered in Duluth, Georgia with over 30,000 employees and does business in 180 countries. NCR is a trademark of NCR Corporation in the United States and other countries. The company encourages investors to visit its web site which is updated regularly with financial and other important information about NCR.

Improve the guest experience

Understand the current state of your restaurant by viewing tables, number of guests, total guest check details and amounts, and more. You can use this information in realtime to actively improve the guest experience by adjusting your staff and operations and have more detailed table visits with customers.

Respond to the entire business whether you're on or off property

Stay in-the-know and be more responsive to your business with real-time alerts. No more waiting for end-of-day, shift reports or potentially inaccurate reports from your stores' shift managers.
